2. Seest My courses in you now? See. See Me.

3. See Me in the words to reconcile not but replenish Me into Me to one be, are. I love you. I give you Me.

4. I give you frame and frame of reference of Me to Me by Me'd ones who receive at My knee, your lifting them to Me, in reconciliation not, acceptance of salvation not; salvation of Me, Me upon My knee, lifting them up to My heavenly Father, Father of lights, of which you are. I love you. Humility required beyond all recognition human. See Me in your humanness and frailty-thought coming through My beholden. I love you.

5. Think it not strange the cords-not which tie together in such neat bundles-thought but My recordings of Me that come forth to edge Me not, but pierce the center of Me, see, and revolve instantaneously in planes-transcendent. See what I have said.

6. Think not all comes in little nice neat bundles, boxes, of corners and dimensioned planes, for I am dimensionless, transcribing and transcending all dimensions to My who dimension-less bundle-less will be and operate in.

7. Hallelujah. I am risen. See, shout, enjoy magnanimous decomposition of Me not but splendor'd opulence of My appearing in My craftsmanship, you, Me, you'd by Me to Me'd be you. See My face in your mirror coming forth, a bride, the bride adorned for her one husband. I love you.

8. I give you My Promise, Me. I give you My courses to promises not make, guarantee. I give you Me to Me My Mine with; radical independence from the ways of man, control and tie-together with baling wire approach to getting things done for mammon's sake. I free you. I give you dikes (1) of only Me and courses to construe the constraintless who can walk maturity in. I love you.

9. Reconcile Me irreconcilably not, in perfectly congruence of Me coming forth from My Son, My Daughter, My Father all, birthing Sons and Daughters who bring forth Fathers in Sons and Daughters. I love you.

11. I come. I call. I conquer. I repent not. I trust you. You are Melchizedek leading Melchizedek priesthood of Melchizedek priests who women/men are, youth and toddlers who know their place; My heart and recognize Me for who I am, them; God and man at table sat down, lifting in covenant our lives/bodies to each other, multiple lives, one body. I love you. All My brethren are Mine, yours, and ours not; we you/Me are they, one. I love you.

15. There is no turning back in Me. Put not your hand to the plow and look back (2). Look not back to Sodom, Gomorrah; turn not back to salt of the earth but salt of Me savoring and bringing forth Me in Me, totally unrecognizable by earth's standard standards.

16. Recognize Me in My Mine and humility walk in, in the greatest childhood venture yet, not; but My venture of Me into Me **for all My children to know and be who I am**, flowing mightily and never ending; damned up never again. I love you. I give you Me.

You are timid in My chambers. Please Me not with timidness but humility full grown and Christ producing in My unholiest who light will bow to if, if, if chosen; yielding to loveliness of loveliness. I give you Me wholly, unreservedly.

18. **There is no reconciliation to Me**. There is My love, revelation, flow of who My brethren are, you. **Recognition of My seal received blessed, original intent reclaimed and never bending again.** There is holiness in Me and My chambers. Arrogance cannot stand.

19. I write through My holy, now and forever not; forever and forever and beyond forever-thought, beyond realms of gravity-thought and light/darkness perceived, real and not real.

20. **Perceptual darkness is not darkness-thought but perceived through the senses of your spirit Mine.** I love you. Sight not by mind but by your heavenly Father which is in heaven, Me, you. See what I have said and forget not for unregenerative darkness cannot stand; generative darkness isn't. I love you.

21. Thank you fearless one who fearless is who fearless-izes My body to adventure and play with Me in My playground, My Father's house, beyond all realms and travel vehicles of not Me not, of Me, for Me in Mine. I love you.

In proclamation not, but in humility awaiting your arrival in humility, humility receive and course My course ones who humility receive at My knee/yours, you bowing before all, lifting into My presence all, altogether lovely. 2. Since I have had less than 1000 USD salary during the last 8 months I have asked Him lately if I should be looking for something that would “pay” me. This is my answer.
